Frida

Simple sculptural beauty

DESIGN
Odo Fioravanti, 2008

EN — Frida, winner of the XXII Compasso d'Oro ADI “for its simple sculptural beauty”, is a seating that combines beauty, innovative technologies and love for details. Its innovative character takes shape in the use of solid oak combined with three-dimensional plywood, to obtain a chair extraordinarily lightweight, equally ergonomic and resistant.

IT — Frida, vincitrice del XXII Compasso d'Oro ADI “per la semplice bellezza scultorea”, è una seduta capace di coniugare bellezza, tecnologie d'avanguardia e amore per i dettagli. Il suo carattere innovativo si riconosce nell'utilizzo del massello di rovere abbinato al multistrato tridimensionale, per dare forma ad una sedia estremamente leggera, ergonomica e resistente.
