BENNY FRANDBSEN

DETERMINATION PAYS OFF. THE BALL LAMP WOULD NEVER HAVE BEEN CREATED AND SOLD TO MILLIONS IF IT WEREN'T FOR A DETERMINED, YOUNG ELECTRICIAN NAMED BENNY FRANDBSEN, WHO CREATED PROTOTYPE AFTER PROTOTYPE IN THE BASEMENT OF HIS HOME IN THE DANISH TOWN OF SKANDERBORG IN THE 60S.

THE ROUND LAMP WAS INTRODUCED AS A STANDARD, WALL-MOUNTED LAMP AND A PENDANT, AND ESPECIALLY THE WALL LAMP, FEATURING A POWERFUL MAGNET, BECAME HUGELY POPULAR. AS BENNY FRANDBSEN RAKED IN THE DESIGN AWARDS, BALL BECAME AN INTEGRAL PART OF PRACTICALLY EVERY HOME IN DENMARK, AND TODAY, MOST ADULT DANES HAVE A SPECIAL RELATIONSHIP WITH THE LITTLE, ROUND LAMP.

"I'VE DESIGNED MANY LAMPS OVER THE YEARS, BUT BALL HOLDS A SPECIAL PLACE IN MY HEART. APPARENTLY, MANY FEEL THE SAME WAY, BECAUSE 50 YEARS AFTER IT WAS INTRODUCED, IT'S STILL OUR MOST POPULAR DESIGN."
