BOLONIA BEACH

We found inspiration
in one of the most
enigmatic places
in the world.

The BOLONIA Collection is a nature-inspired design and imitates the organic and smooth waves of the Bolonia sand dune, which was declared a natural monument in 2001. It's elegant and very comfortable, perfect for relaxing in both outdoor and indoor spaces.

Las suaves y orgánicas líneas de la colección BOLONIA imitan las ondas que crea la arena en la duna de Bolonia, monumento natural desde 2001. Su diseño y estructura han dado lugar a una colección elegante, cómoda y versátil, que nos ha permitido crear las diferentes piezas que hoy la conforman.

iSi Design Group created a versatile product capable of being used in different spaces, BOLONIA armchair. We continued to develop the whole family of products, which is still growing nowadays.

En iSi Design Group creamos el sillón BOLONIA, un producto versátil, capaz de fusionarse en diferentes espacios. Concluyó en el desarrollo de una gran familia, que a día de hoy, aún sigue creciendo.
