

# COCO OUTDOOR

## COCO OUTDOOR

Una famiglia di sedute contemporanea caratterizzata da una personalità eclettica: Cantarutti presenta la nuova versione della collezione Coco che renderà gli spazi esterni comodi e accoglienti come un salotto all'aperto. Un equilibrio di forme leggere e volumi morbidi composto da una struttura metallica, appositamente trattata per resistere all'esposizione agli agenti atmosferici, un'imbottitura in gomma morbida ma resistente e tessuti idrorepellenti completano il rivestimento. Coco Outdoor ti invita a vivere all'aperto con stile e comfort. Coco Outdoor è una famiglia di sedute resistente e funzionale dal mood fresco e dinamico. Una scelta distintiva per arredare lo spazio esterno di vari ambienti: hotel, ristoranti, case private, giardini.

Il parco sculture Braida Copetti è un podere di quasi 15.000 metri quadri nel comune di Premariacco, dove vengono esposte a rotazione le opere di grandi autori del secolo passato, nonché di affermati artisti contemporanei. La famiglia Copetti è socia dell'Associazione Antiquari d'Italia e della Confédération Internationale des Négociants en Oeuvres d'Art. Oltre a collaborare costantemente con qualificati studiosi e direttori di musei, nel corso degli anni hanno arricchito, con le loro opere, importanti collezioni private e pubbliche.

## COCO OUTDOOR

A contemporary family of seats characterised by an eclectic personality: Cantarutti presents the new version of the Coco Collection that will make outdoor spaces as comfortable and welcoming as a living room in the open air. A balance of lightweight shapes and soft volumes composed of a metal structure, specially treated to endure exposure to weathering, a soft but resistant rubber padding and water-repellent fabrics complete the upholstery. Coco Outdoor invites you to live outdoors with style and comfort. Coco Outdoor is a resistant and functional family of seats with a fresh and dynamic mood. A distinctive choice to furnish the outdoor space of various environments: hotel, restaurants, private homes, gardens.

The park sculptures Braidà Copetti, is a farmland of almost 15.000 square meters in the village of Premariacco, where the works of great artists of the past century are displayed in rotation, as well as the works of affirmed contemporary artists. The Copetti Family are registered in the Association of Antiques Dealers of Italy and belong to the Confédération Internationale des Négociants en Oeuvres of Art. Along with their long-lasting collaboration with qualified researchers and directors of museums; during the years they have contributed to important private and public collections with their works.

## COCO OUTDOOR

Manufacturer: Cantarutti

Year: 2020

Materials: Aluminium, Fabric, Dryfeel® S Foam

Categories: Chair, Armchair, Stool,  
Lounge Chair, Ottoman, Pouf, Bench

### Foam:

DRYFEEL® S is an open cell reticulated polyether material which facilitates the evacuation of moisture and humidity. Dryfeel® S benefits from a better airflow and ensures good breathing capacity. Dryfeel® S is treated against bacteria and fungi and shows no degradation after immersion into pool water or seawater. The name of the active component is Dimethyloctadecyl [3- (trimethoxysilyl)propyl] ammonium chloride. The antimicrobial treatment is not flammable nontoxic and does not contain any heavy metals. It's safe for human, animals, plants and the environment.

### DRYFEEL® S Specifications

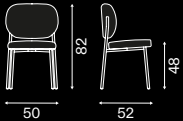

PROPERTY	UNIT	METHOD	VALUE
Net density	kg/m <sup>3</sup>	ISO 845	31 - 34
ILD 40%	N	ISO 2439 B	140 - 220
Visio cell	micron	RECT SS/T.013.4	2500 - 3500

### Typical Values

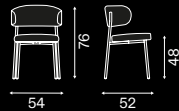

PROPERTY	UNIT	METHOD	VALUE
Wet compression set (95%RH at 50°C)	%	REN 1637	10
Ball Rebound	%	ASTM D3574H	45
Tensile Strength	kPa	ISO 1798	70
Elongation break	%	ISO 1798	120

Fabric: VORTICE by Abitex	100% solution dye acrylic in 70 colors, Vortice ensures a very high degree of light resistance, guaranteed for 5 years, both as regards its solid and melange colours. The Teflon® treatment transforms it almost into a fabric superhero. It is water repellent, light and weather-resistant, stain-resistant.	FEATURES	COLOR FASTNESS TO LIGHT
		100% acrylic (Teflon®)	7/8, ISO 105 B02
		DYEING	FASTNESS TO RUBBING
		solution dyed product	dry 4/5, wet 5, ISO 105 X12
			FIRE RESISTANCE
			with treatment, only upon request, min 300 m, even assorted colours: EN 1021 part 1/2; California TB 11.7 - 2013; IMO FTP Code 307 part 8.
