

Cube è un sistema aperto e flessibile che si compone di panche vassoio e boiserie da attrezzare con pannelli imbottiti, specchi, scrittoi a ribalta, mensole, appendiabiti e tasche portadocumenti. Gli elementi si possono combinare tra loro per creare composizioni funzionali per l'ingresso o la camera da letto, da personalizzare scegliendo tra le molte finiture disponibili, inclusi i tessuti e le ecopelli per i pannelli foderati.

Cube is an open, flexible system made up of tray benches and wall panelling to be accessorized with padded panels, mirrors, drop-down desks, shelves, coat hooks and document pouches.

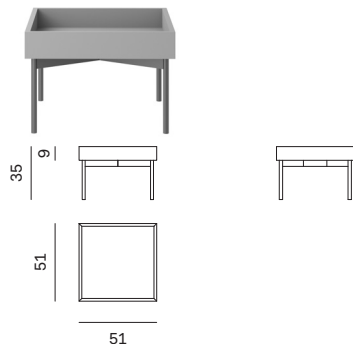

The various accessories can be combined to create functional configurations for the entry hall or bedroom, with a whole host of finishes to choose from to tailor the end result, including fabrics and imitation leather options for the lined panels.
