

Fly è una collezione di tavolini composta di numerosi elementi, da usare singolarmente o accostare tra loro. La semplicità della giunzione tra le gambe e il piano permette di progettare molte combinazioni, scegliendo tra diverse altezze, forme e materiali. Le gambe sono disponibili in tutte le finiture impiallacciate di rovere e in noce canaletto. Il piano - rotondo, ovale o rettangolare - nella stessa finitura delle gambe, in marmo o in pietra lavica.
