

GROOVE

Chair
Art. no.: 2-212

Description:

Suits any home

GROOVE is amazingly comfortable and easy to style in any interior setting. With its classic and contemporary design GROOVE fits right into any living room, giving it a stylish touch. Just choose the fabric to match your design visions.

Year of design: 2008

Function:

A comfortable chair in a design which fits in well together with many different kinds of furniture. GROOVE takes up very little space, and can easily be moved around to where you need it.

Sales Arguments:

Suits your life too...

Rest assured that both you and your guests will fall in love with Groove. Apart from being your extraordinary comfortable easy chair, Groove fits right into your living room with its rigid mode of expression that matches the rest of your furniture. Be challenging, relaxed or classical when choosing your fabric – Groove will capture your home the exact same way you want to live your life ... the choice is yours.

Design: busk+hertzog

Architects specialized in furniture / product design. The studio, today located in London UK, was established year 2000 by Flemming Busk (1967), architect MAA and designer MDD, and Stephan B. Hertzog (1969), designer MDD. busk+hertzog have received more than 40 international design awards for their works and their designs are a.o. represented at the Royal House of Norway, Danish Broadcast Cooperation, CNN, Chivas Regal, the Norwegian Embassy in Helsinki, the Carnegie Trust, and "The Modern" (Restaurant), Museum of Modern Art, New York.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. Has also specially designed among other things the HELLO chair for the world famous pop star Kylie Minogue.
