

JASPER

Daybed
Art. no.: 2-550

Description:

Stylish and practical

A modern sofa bed in a contemporary design, ideal for both private homes and public spaces. The backrest design lets you sit in the 'corners' of the sofa, offering many more ways to relax than the average sofa bed. JASPER is easily converted into a comfortable bed for two adults.

Year of design: 2011

Function:

The back rest design is both dynamic and practical as it lets you sit in the corners.

It can be used as a comfortable single bed and can be easily converted into a guest bed for two persons.

The sofa is elegant from all sides and can be placed freely in the room as a room divider.

It is constructed so it is easy to place / fasten the sheet when the bed is used as a single or doublebed.

The two cushions are loose and can be placed after individual needs.

A removable cover for cleaning and changing.

A multifunctional piece of furniture that can be used in the living room, guest room, summer cottage, holiday apartment, dormitory room, hotel, reception etc.
