LOTUS

Description:

Creative minimalism

Clean and simple lines create a feeling of serenity that makes LOTUS the obvious choice for the modern private home and public environments. There are endless ways of combing the various elements. It invites you to be creative and express your personal style. Featured in the movie "Sex and the City".

Year of design: 2005

Function:

The elements are easy to combine and separate, making Lotus an ideal solution for creative furnishing.

Sales Arguments:

Modern minimalism.

A real relax sofa with excellent seating comfort.

The elements can be combined to meet individual space and seating needs.

Available in many fabric qualities and many different colours.

Removable covers on all elements, for dry-cleaning or if you want a new cover/colour.

High quality.

Design: Stine Engelbrechtsen

Born 1972. Trained as an industrial designer at the "Danmarks Designskole". Graduated 1999, major project: "Equipment for Outdoor Life".

Exhibited 1999 in the "Øksnehallen", Copenhagen, as well as at the Formland Fair in Herning ("De Nye").

Employed at SOFTLINE A/S since August 2000 as a designer / product manager.
