## OUTDOOR *collection*

Plank è lieta di presentare una nuova raccolta di immagini lifestyle che mostrano i suoi elementi d'arredo inseriti in ambienti esterni.

Le nuove immagini sono fonte d'ispirazione per designer, architetti e altri professionisti del settore, ma anche per l'utente stesso, alla ricerca di prestigiosi elementi d'arredo per esterni da inserire nei loro progetti. Contestualizzare i prodotti nell'ambiente enfatizza i caratteri funzionali che li rendono così adatti all'uso esterno, come per esempio la superficie traforata della sedia MYTO che lascia passare l'acqua e il meccanismo pieghevole del tavolo MIURA, che permette di impilare più tavoli quando non in uso.

Plank is pleased to present a collection of new lifestyle images showing its contemporary furniture in outdoor use.

The new images offer inspiration to designers and other industry professionals, but also for the users, seeking outstanding outdoor furniture for their latest projects. Displaying the products in context emphasises the functional features that make them so well-suited to outdoor use, such as the permeable surface of the MYTO chair that lets water drain through it, and MIURA table's folding mechanism that allows multiple tables to stack when not in use.

„Plank Outdoor Collection“ ist Titel einer neuen Fotostrecke von Plank, welche die zeitlosen Möbel im Aussenbereich interpretiert.

Die Fotografien sollen Inspirationsquelle für Designer, Architekten und Branchenfachleute aber auch für den Anwender selbst sein, die auf der Suche nach herausragenden Outdoor Möbeln für Ihre Projekte sind. Die kontextbezogene Darstellung der Produkte im Freien betont Ihre funktionalen Eigenschaften – wie z.B. die perforierte Oberfläche des MYTO Freischwingers, welche das Abfließen von Wasser ermöglicht oder der MIURA Klapptisch-Mechanismus, der es ermöglicht, mehrere Tische ineinander zu reihen, wenn diese sich gerade nicht in Gebrauch befinden.
