### MODULAR

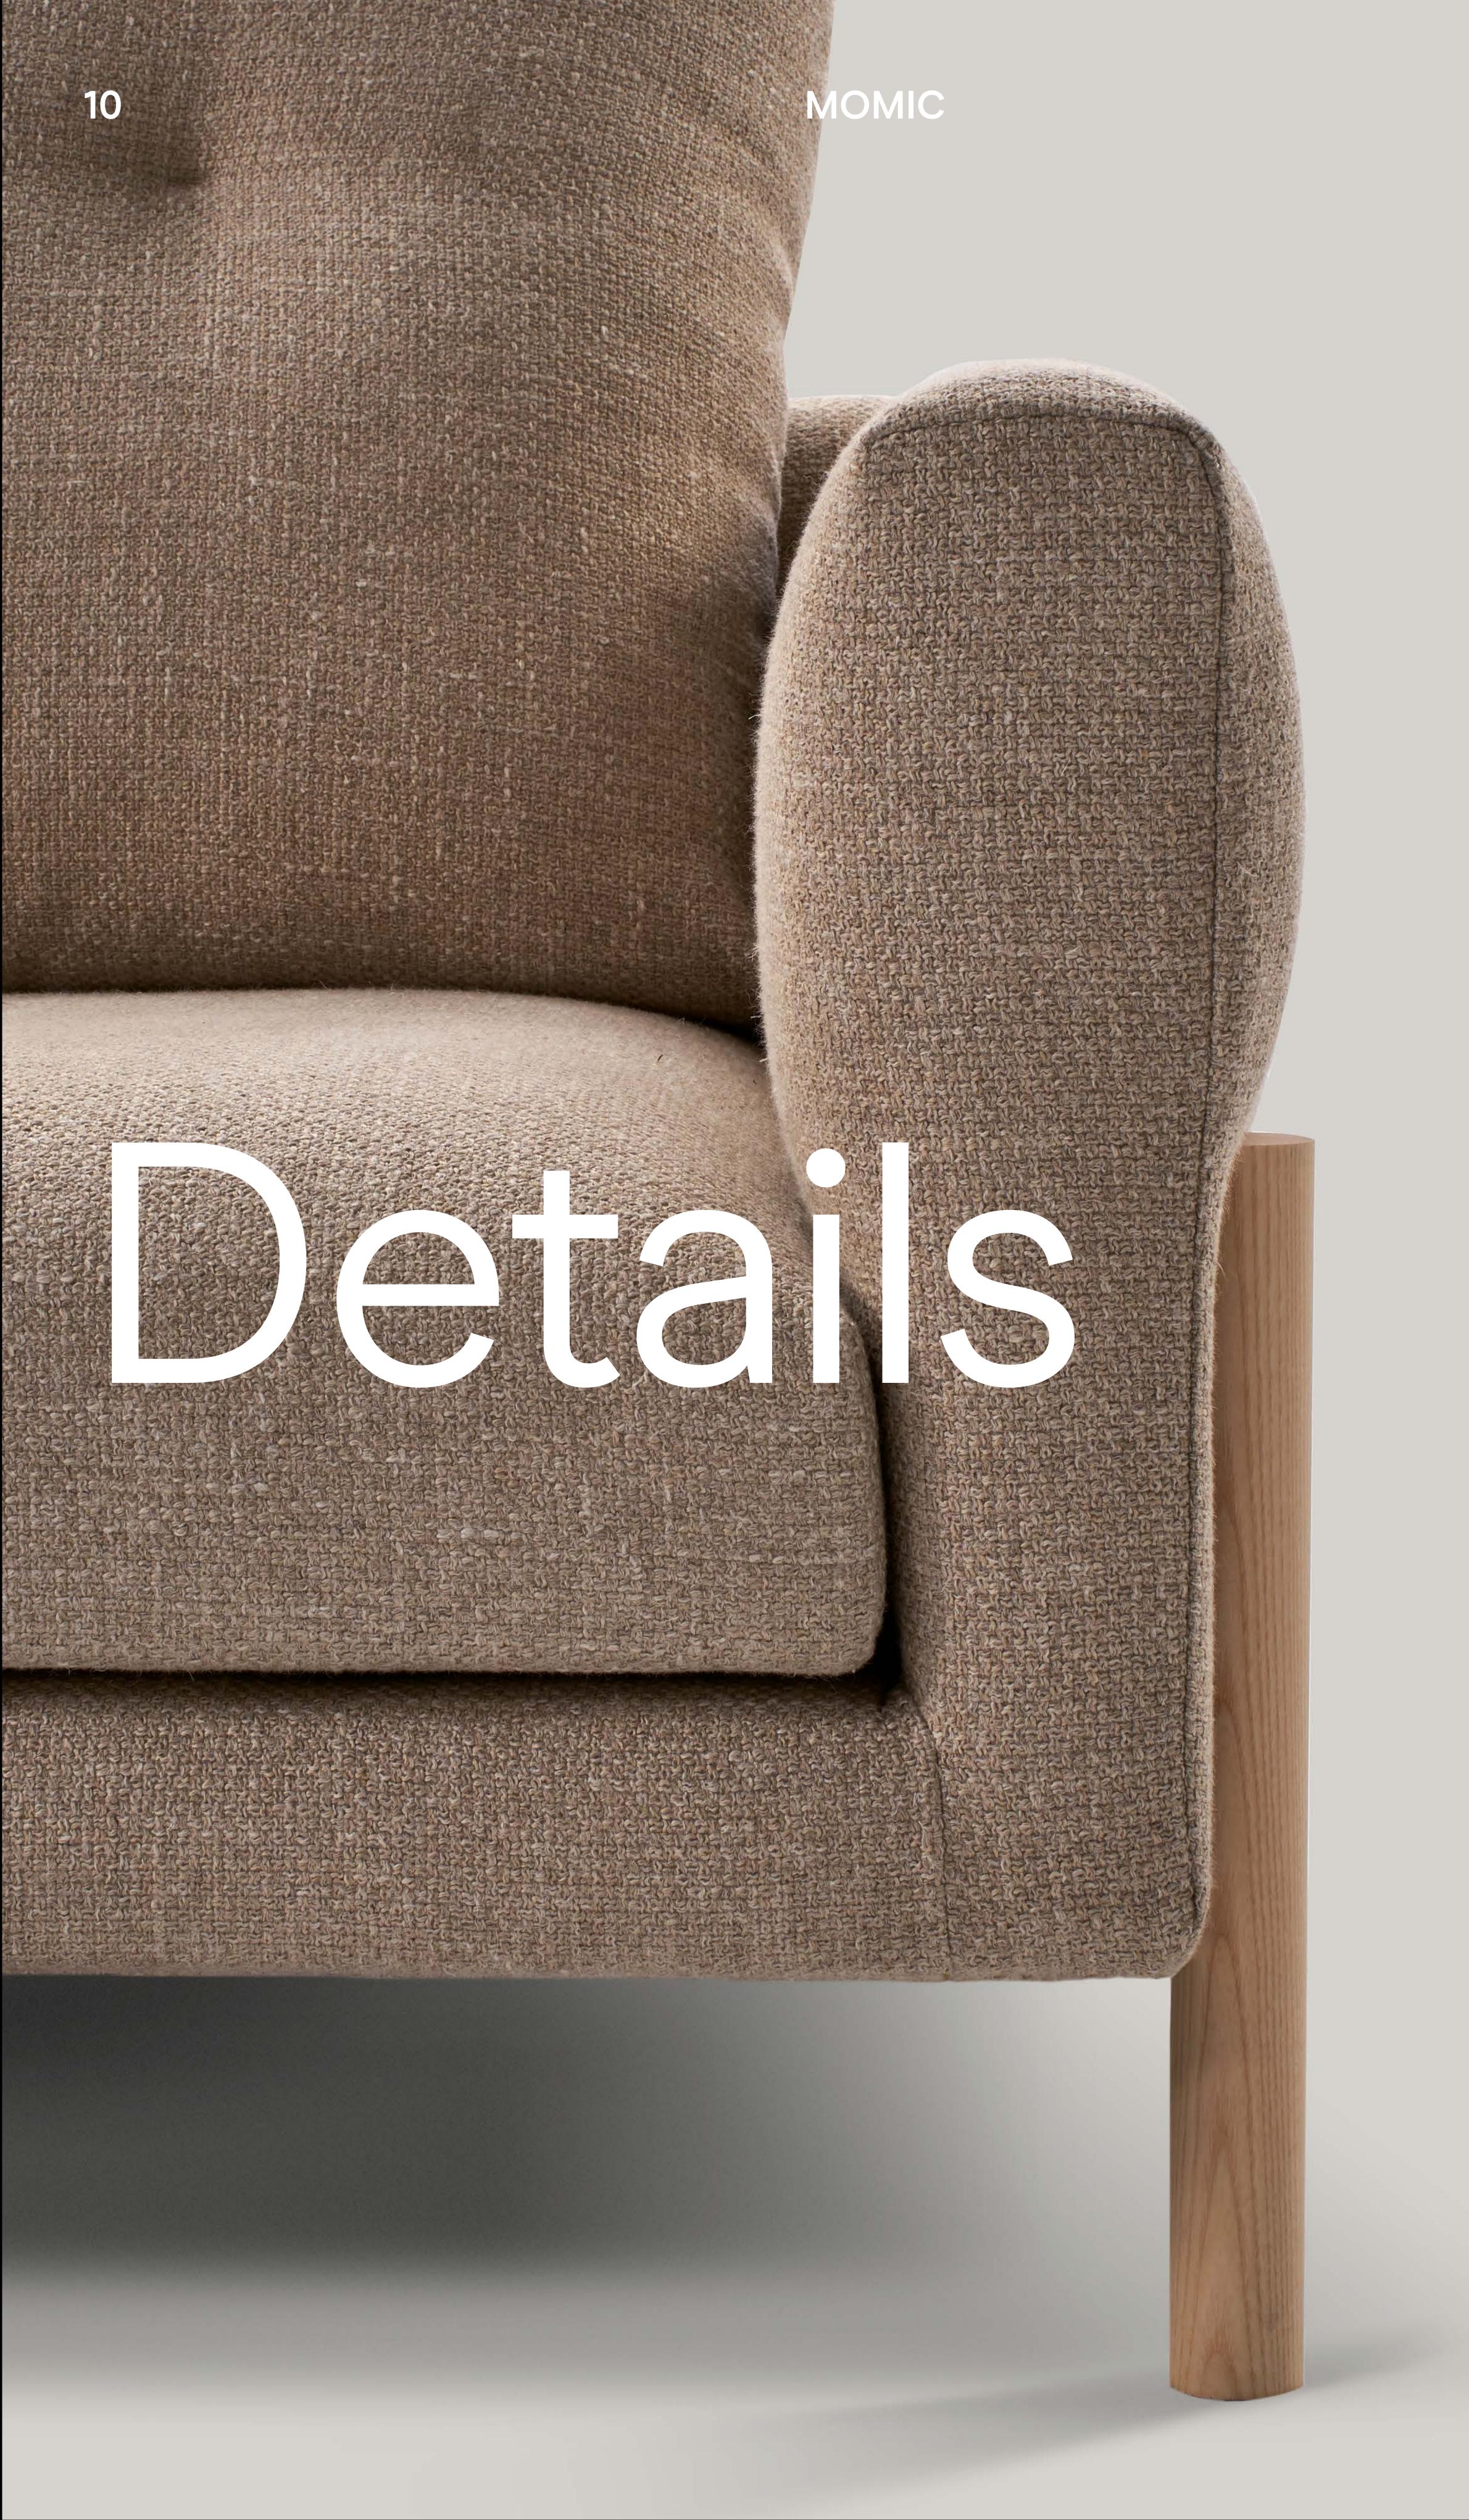

## Momic includes an extensive modular programme. Two seat sizes are the starting point to create two and three-seater sofas, modules with or without armrests, a variety of chaise longue possibilities, a pouf, terminal pieces and a 45° angled module to give shape to all kinds of compositions.

DETAILS

Its light structure gives it an airy appearance and the loose cushions and their stitching on the backrest provides subtle, distinctive detail. The sturdy ash wood legs take centre stage, available in any of our stains, they frame the sinuous lines of the armrests.
