Imballo su pallet
Packing on pallet

Con ruote
With wheels

Il telo è ricambiabile con semplicità da chiunque, e si usa due volte perchè reversibile. È in tessuto sintetico, traspirante, idrorepellente, indeformabile, resistente ai raggi UV, termosaldato, facile da pulire, lavabile con acqua e sapone.

The fabric can be replaced with ease by any operator, and it can be re-used because reversible. The fabric is synthetic, breathable, water-repellent, non-deformable, UV-resistant, thermally welded, easy to clean, washable with soap and water.
