Design by Studio Eurolinea Design

Idejí pro vytvoření série **Sky Fresh** se stala myšlenka vývoje moderního, svěžího, praktického a subtilního sezení. Sezení, které nabídne rozmanité varianty modelů a tím možnosti uplatnění v různě pojatých interiérech i pro různé účely sezení.

The **Sky Fresh** collection embodies the desire to design contemporary, fresh, practical and subtle seating. Seating that will offer a wide range of models that can be used in variously conceived interiors and for different types of seating styles.

Das Design der Kollektion **Sky Fresh** steht für modernes, frisches, praktisches und ausgezeichnetes Sitzen. Die Sitzmöbel bieten eine große Auswahl an Modellen für unterschiedliche konzipierte Inneneinrichtungen und Einsatzbereiche.

L'idée du développement du siège moderne, frais, pratique et subtile a donné la naissance à la création de la série **Sky Fresh**. Le siège offrant de nombreuses variantes diverses de modèles permet d'être utilisé dans les intérieurs différents et à des fins divers.
