# DENEB

1  
Deneb is a collection of tables, benches & stools of a minimalist design.

Deneb es una colección de mesas, bancos y taburetes de líneas minimalistas.

2  
Their strong aluminium frame is valid indoor and outdoor.  
Finishes:  
- anodized  
- white lacquer  
- black lacquer

La estructura de aluminio, es muy resistente y válida para interior y exterior.  
Puede ser:  
- anodizada  
- lacada en blanco  
- lacada en negro

3  
Indoor tabletop options:  
- glass  
- wood  
- HPL  
- acrylic stone  
- teak

Tapas Deneb para interior:  
- vidrio  
- madera  
- HPL  
- piedra acrílica  
- teka

4  
Outdoor tabletop options:  
- glass  
- HPL  
- acrylic stone  
- teak

Tapas Deneb para exterior:  
- vidrio  
- HPL  
- piedra acrílica  
- teka

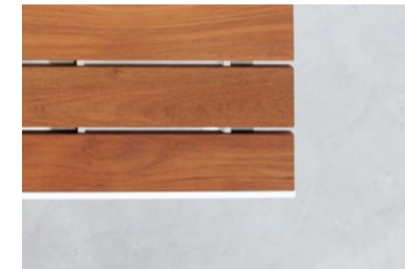

5  
The frame options and the tabletop options combined allow for the creation of numerous combinations, so that Deneb can suit any environment.

Las numerosas combinaciones posibles entre estructuras y tapas hacen que la mesa Deneb encaje en cualquier ambiente.

6  
The solid teak wood comes from sustainable managed forests.  
Teak ages as time goes by and takes on a pale grey colour. It is necessary to oil the teak every year for maintenance.

La madera de teka maciza proviene de bosques de gestión sostenible.  
La teka envejece con el tiempo y toma un color gris más apagado. Para el mantenimiento de la teka es necesario aplicar aceite anualmente.

7  
The Deneb benches and stools are the perfect match for the table.

El banco Deneb ha sido diseñado para ajustarse a las mesas Deneb.

8  
Deneb tables and benches can be screwed to the floor, in which case it is necessary to order the corresponding anchor plates.

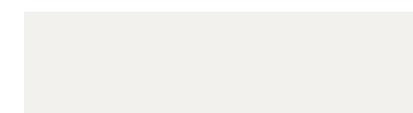

Los bancos y mesas Deneb pueden anclarse al suelo, en cuyo caso es necesario solicitar los anclajes al realizar el pedido.
