

## ***quando un bel divano nasconde un grande letto***

Spazi nuovi e nuove idee per vivere la casa sia di giorno che di notte. In questa raccolta presentiamo le ultime novità nel settore dei divani convertibili.

Una grande varietà di prodotti sia per quanto riguarda l'aspetto estetico sia per le grandi innovazioni tecniche che stanno trasformando il divano-letto in un accessorio di facile utilizzo e eccezionale comfort anche per un uso quotidiano.

Grazie ai nuovi meccanismi di cui disponiamo, i nostri divani convertibili possono montare reti che si aprono con estrema facilità o addirittura con un semplice pulsante, rendendo semplicissimo il passaggio da divano a letto.

### ***when a fine sofa hides a large bed***

*New spaces and new ideas to live your home both in the day and at night. In this collection, we will present the latest fashions in the field of convertible sofas.*

*A wide range of products both in terms of aesthetic appearance and great technical innovations that are changing sofa beds into an accessory easy to use and with exceptional comfort even for daily use.*

*Thanks to our new mechanisms, our convertible sofas can be equipped with bed bases that open with the greatest ease or even with a simple button, making the passage from sofa to bed very simple.*

# Linea Special

Linea Special

I divani della linea Special sono stati studiati da Vitarela e realizzati utilizzando meccanismi innovativi.

Questo ci ha permesso di creare divani dalle linee moderne e dal design esclusivo.

Nella linea Special sono presenti:

- meccanismi ribassati
- meccanismi manuali e motorizzati
- meccanismi che contengono materassi h18
- meccanismi con apertura frontale

*The sofas of the Special line have been designed by Vitarela and equipped with innovative mechanisms.*

*This allowed us to create sofas characterized by modern lines and an exclusive design.*

*The Special line features include:*

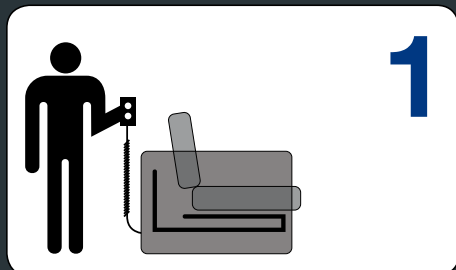

- lower mechanisms
- manual and motor-driven mechanisms
- mechanisms containing h 18 mattresses
- mechanisms with frontal opening

Il modello Capcode è un divano dal design innovativo, con dettagli ricercati e divertenti, come la possibilità di avere un sovrabracciolo in pelle con tasca e fibbia. L'evoluzione dei meccanismi da divano letto al giorno d'oggi ci ha consentito di equipaggiare alcuni dei nostri divani di materassi alti 18cm. Il nostro materasso H 18 ha spiccate qualità di flessibilità ed elasticità che consentono un ottimo riposo per chi lo utilizza quotidianamente. Grazie all'altezza del poliuretano non c'è miglior materasso da divano letto che possa rispondere all'esigenza del dormire bene.

*Capcode is an innovative design sofa, with elegant and interesting details such as the possibility to have a leather arm cover with pocket and buckle. The evolution of the mechanisms of sofa beds allowed us to equip some of our sofas with 18 cm deep mattresses.*

*Our H 18 mattress is characterized by high flexibility and elasticity, allowing proper resting comfort for daily use.*

*Thanks to the depth of polyurethane, no other sofa bed mattresses can better satisfy the need for a good sleep.*

# Linea Fast

## Così facile che lo apre anche un bambino

I divani della serie Fast sono così facili da aprire che l'operazione può essere fatta anche da un bambino.

La rete contenuta nel modello Rapido ha un bilanciamento tale che con una spinta iniziale effettuata sullo schienale del divano, si ottiene la completa apertura di tutta la rete.

## Facile da sfoderare

Anche la manutenzione di questo divano risulterà estremamente semplice. Grazie alla sua particolare costruzione, tutto il rivestimento è facilmente svestibile perché assicurato alla struttura grazie a strisce di velcro.

In questo modo in pochi minuti si può smontare il rivestimento e dopo averlo lavato lo si può rimontare, assicurando una vita lunghissima al divano che sarà sempre pulito e in ordine.

*So easy that  
even a child  
can open it*

The sofas of the Fast line are so easy to open that even a child can do it.

The bed base of Rapido has such a balancing mechanism that an initial push on the sofa back is sufficient to fully open it.

## Easy to take the cover off it

The maintenance of this sofa will be very easy too. Thanks to its particular structure, the upholstery can be easily removed because it is fastened to the framework with Velcro strips.

Therefore, the upholstery can be removed in a few minutes, washed and put it back, ensuring a very long life to the sofa, which will be always clean and tidy.

The external cover is made of stretch fabric with anti-mite Aloe treatment, with a wavy pattern. Stuffing is anallergic polyester, fully removable with a central zip. Total depth: cm13. It ensures high ergonomic comfort with a good value for money.*

## Materasso H18

L'evoluzione dei meccanismi da divano letto al giorno d'oggi ci ha consentito di equipaggiare alcuni dei nostri divani di materassi alti 18 cm. Il nostro materasso H 18 ha spiccate qualità di flessibilità ed elasticità che consentono un ottimo riposo per chi lo utilizza quotidianamente. Grazie all'altezza del poliuretano non c'è miglior materasso da divano letto che possa rispondere all'esigenza del dormire bene.

*The evolution of the mechanisms of sofa beds allowed us to equip some of our sofas with 18 cm deep mattresses. Our H 18 mattress is characterized by high flexibility and elasticity, allowing proper resting comfort for daily use. Thanks to the depth of polyurethane, no other sofa bed mattresses can better satisfy the need for a good sleep.*

## Pocket

Materasso dalle spiccate qualità ergonomiche, che sfrutta le caratteristiche della struttura a molle insacchettate protette singolarmente, contenute in un box perimetrale in poliuretano espanso ad alta densità. Il rivestimento esterno è in tessuto stretch con trattamento in Aloe vera antiacaro con disegno a onde. Altezza totale cm.13.

*A mattress with marked ergonomic characteristics that exploits the features of individually protected pocketed coil springs included in the high density polyurethane foam perimeter box. The external cover is made of stretch fabric with anti-mite Aloe treatment and a wavy pattern. Total depth: cm.13*

## Galaxie

A nostro avviso il miglior materasso della gamma.

L'anima di questo materasso è rappresentata da una lastra in poliuretano espanso ad alta densità super elastico, traspirante ed ergonomico. Il cover è in tessuto stretch (280 gr./m<sup>2</sup>) con trattamento antiacaro, l'imbottitura è in poliestere anallergica (250 gr./m<sup>2</sup>) ricoperta da un cover bordato con trapuntatura a quadri. Ad esaltare il materasso viene equipaggiato con un trapuntino (Pillow Top) ad alto comfort, imbottito in schiuma visco elastica Memory Form termosensibile e automodellante. Altezza totale cm.13.

*In our opinion, the best mattress in the range.*

*The core of this mattress is represented by a high density, super elastic, breathable and ergonomic polyurethane foam plate. The cover is made of stretch fabric. (280 gr/m<sup>2</sup>) with anti-mite treatment while the stuffing is anallergic polyester (250 gr/m<sup>2</sup>) with a bordered cover with chequered quilting. Moreover, the mattress is equipped with a high comfort duvet (Pillow Top) stuffed with viscoelastic thermosensitive and self-modelling Memory Form foam.*

*Total depth: cm 13*

## Super 50

Materassi in poliuretano elastico a densità 50kg/m<sup>3</sup>, realizzati con una lastra bugnata, rivestita con tessuto antiacaro trapuntato non removibile. Offre un grande comfort, è molto accogliente ed è in grado di resistere anni. Altezza totale cm.13.

*A mattress made of elastic polyurethane with a 50 kg/m<sup>3</sup> density and including a textured plate covered with non-removable anti-mite fabric. It offers great comfort and can last for years. Total depth: cm 13*
